

Dear CDS Families,

Costumes are a very exciting part of our Spring Recital! Listed below is all of the information that you need to know about recital costumes and selecting the perfect size for your dancer.

**All costume sizes must be submitted by Tuesday, December 6th.**

**Please see important costume information below:**

**How do I view my dancer's costume(s)?**

To view your dancer's costume(s), please login to your [portal account](#), scroll down and click on the "Costumes" icon on the homepage, OR click on "More" and then choose "Costumes". From there you will find a picture of your dancer's costume, the price, and a drop down option for sizing. Please enter the size that would best fit your dancer and click "Save". If a costume says "Coming Soon" you can still enter the size for your dancer and the costume will be available to view very soon.

\*Please note that costume choices may change based upon availability or other unforeseen circumstances.

**How do I figure out the correct size for my dancer?**

Attached to this email is a sizing chart. The same sizing chart can also be found if you click on "Link", right next to the costume price listed for each costume on your portal. Please choose the size that best fits your dancer's measurements.

**Should I enter the size my dancer wears now or should I estimate what size my dancer will wear in 7 months?**

Because the recital is still 7 months away, please size up if your dancer is in between sizes and order what you believe they will wear in 7 months. Costumes cannot be returned or exchanged once they are ordered.

**How do I measure my dancer?**

Please watch this helpful video for guidelines about how to measure your dancer: [Measuring Your Dancer](#)

**How much will my dancer's costume(s) cost?**

All costumes range between \$55-\$75 per class.

**How do I pay for my dancer's costume(s)?**

Once costumes have been officially ordered, costume fees will be posted and processed via your auto-payment method. **Please note that costume fees are non-refundable.**

**What do I do if my dancer is not going to participate in the recital?**

If your dancer is not going to participate in our June recital, please send an email to [info@creationdancestudio.com](mailto:info@creationdancestudio.com) no later than Tuesday, December 6th. Costumes will not be ordered for dancers who are not participating in the recital unless otherwise requested.

**Are there any classes that will not be participating in the Spring Recital?**

Dance With Me, Creative Dance, Tumbling, Strength & Stretch, Beg. Pointe, and Turns & Leaps classes will not be participating in the Spring Recital.

Please email [info@creationdancestudio.com](mailto:info@creationdancestudio.com) with any questions about measuring your dancer or viewing their costume(s)!

Warmly,

Stevie & the Creation Dance Studio Team
