

## Creation Dance Studio Recital Photos

**When:** Sunday, 6/5

**Where:** Creation Dance Studio

**Time:** Photos will take place between 12pm-3:30pm. **Dancers need to be present only at their designated photo time(s).** We anticipate group photos for each class taking between 5-10 minutes.

**Important details:** Dancers should arrive in costume and with hair & makeup done 5 minutes prior to their photo time (with the exception of shoes- these can be put on at the studio). If your dancer is in more than one dance, they should bring their other costume(s) and they will have time to change.

Two group photos will be taken per class. Individual shots will not be taken.

If your dancer CANNOT make it to the recital photo day on 6/5 please let us know.

\*Many of our costumes have already arrived. We expect all costumes to arrive before June 5th. However, due to shipping delays and supply chain issues we cannot guarantee that this will happen.

If all costumes have not arrived for a specific class, we will take group photos at the dress rehearsal instead of on June 5th. If this does happen, you will be notified on a class-by-class basis.

### Pricing:

Group photos & on-stage dress rehearsal photos will be available to download from an online album:

Photo Package	Price
